Dear Tony

We really appreciate your kind donation of £450.00, which you sent in recently on behalf of Café Bridge, Nottingham.

We're sorry to hear that you had to postpone your planned event due to the current situation, but thank you for choosing to make a donation to Rainbows from this. Thank you to everyone who would have been involved for your continued support.

At present, the Hospice is continuing with our end of life care and we have increased our virtual support services to our families, to ensure they have regular contact with their Rainbows support workers. We are also providing support to the NHS, by taking children from local NHS hospitals, to free up beds there and to keep them as safe as possible.

Your donation will help us to continue to be there for children, young people and their families when they need us – thank you!

Thank you to you all

Best Wishes
