JSOB Charity Donations: During the month of April, all JSOB members will have an opportunity to enter their favorite Jacksonville charity in a drawing that will be held in early May. Rules will be posted at the club during the first week of April. Please contact Don Dvorak (904-821-1598) with questions.

Please Be Scent-sitive: Some people have an extreme sensitivity to fragrances (colognes or perfumes or body wash or lotions). Because duplicate bridge requires players to be in close proximity to each other, those who suffer from fragrance-related reactions cannot avoid those who are wearing them. Among

the commonly-reported symptoms are intense headaches (including migraines) or breathing-related problems. For those who suffer from this sensitivity, the issue is more serious than simply disliking a certain smell. It is a real health problem. **Please refrain from wearing scented products when you come to the bridge club!**

FROM THE DIRECTORS' DESK: In a perfect world, everyone would finish each round at the same time, boards would be passed in unison and pairs would move in unison to the next table. However, we all know this is the exception rather than the rule! **The ACBL policy on movement of boards** is simply that it is the responsibility of North to pass the boards. We suggest the following clarification.

- When the round is called, whether or not you have completed playing all your boards, North should pass the boards to the next table.
- No East-West player should interrupt the play of any board to reach in and grab the boards to pass them to another table.
- In the event that a round has been called and North has failed to move any boards, the director should be called. Only the director should interrupt play of any board to retrieve boards for another table.

These are simple courtesies that will facilitate smooth transitioning between rounds. Our goal is to get the new boards to the next table in a timely fashion while not interfering with the play of a board at any table. Thanks for doing your part.
