

## Summer Lesson Special

A super gift from  
Barbara Seagram in  
support of KDBC and  
Bridge Students  
Everywhere!

### What? Barbara Seagram's Big Lesson on Big Hand Bidding & Play

Per Barbara: " The lesson starts off with Hand Evaluation and Revaluing, without which, you will never get to your games and slams.

I then teach you all about Splinter Bids and Jacoby 2NT and responding to Keycard Blackwood when you have a void.

We wind up with play of several slam hands and discuss all aspects, bidding, play and defence."

ALSO you will receive detailed class notes from Barbara to go with the lesson.

### When? Whenever you like from the comfort of your home!

The lesson is video-recorded on-line and is 2 hours in length.

### How much does it cost?

Barbara normally offers the course for \$25. However, if you sign up through KDBC, the lesson will cost only \$20, and even better...Barbara has generously offered to donate the entire lesson fee back to our club, so your \$20 will all end up with KDBC. How great is that?

### WOW! How do I sign up?

Elaine McDougall is coordinating this effort on behalf of the KDBC Board. Simply e-transfer \$20 to: [mcdougal@queensu.ca](mailto:mcdougal@queensu.ca) (and be sure to indicate in the message box that the funds are for the Barbara Seagram lesson, and include your email address). Once your funds are received, Elaine will email you the link to access the video. It's as easy as that!

**Is there a deadline to sign up?** Yes. Please pay by August 31, 2025. You can watch the lesson whenever you wish, however.

Let's  **KDBC** and **Improve** our **Bridge Game!**
