

# Diana's Fun With Bridge

December, 2022

**A very, very Merry Christmas and Happy New Year.  
May all your bridge games be fun, challenging and wonderful learning experiences.**

A huge thanks to Kelly, our Club Manager, who stepped up to the challenges when Covid hid and steered our club through the rough years by training himself and numerous other directors on how to hold online games. Thanks to him we weathered the storm and are now almost back to normal. Thanks Kelly and all the directors who kept our games going through this difficult period.

My Monday Fun Game has become the Thursday afternoon face to face 0-199 as so many of my students progressed beyond the level of my Monday game. In its place I offer my Friday Real Bridge game. Real Bridge is an app designed in England and is used by most European bridge clubs. It is almost like face to face bridge as it allows players to see and talk to each other.

In this game players can refer to their notes, ask questions and generally have a great time. An added benefit is, it is very simple to use.

If you are interest in my game but not on my email list please contact me at:  
[dknowles9@icloud.com](mailto:dknowles9@icloud.com) or phone 250 491 4704, landline.

Check out my list of bridge books and supplies for sale on pages 9 & 10.  
Upcoming lessons on page 11.  
Gift of learning page 8.

### Weak Jump Shift by Responder vs. Strong Jump Shifts by Responder

This situation causes many players a lot of head scratching as most of the books for newer players are still teaching Strong Jump Shifts by responder when, in fact, virtually no modern players use them.

**The reasons:** when was the last time partner opened and you held 18-19+ points. Was it this year, last year or many years ago or can you even recall it happening? The other reason is that Strong Jump Shifts gobble up valuable slam exploration space.

### Weak Jump Shifts

#### Why would you use a Weak Jump Shift?

1. The WJS describes your hand with one bid.
2. It takes up a lot of bidding space which makes it more difficult for the opponents to bid, especially if you bid a WJS into spades. You have now forced the opponents to guess at the three level.
3. You will bid it whether vul or non vul. You know your side holds half the points.
4. They allow you to respond more safely on a weak hand with a long suit.
5. If the opponent's double partner's bid, your WJS forces their partner either to pass or guess at the three level.
6. It is a lot of fun and you will get many good boards using it.

**TIPS**  
For Improving  
Your  
Bridge Game

#### When you are bidding:

Always search for a major-suit fit if one is possible, even if you've already found a fit in a minor suit. If you have a 4-card major you can show at the one-level, always bid it.

Consider playing 3NT instead of 5C or 5D when you have the strength for game, but your only fit is in a minor suit.

Keep the bidding simple. If you have a fit for partner's major, always raise.

If you have a fit for partner's suit, "stretch" to raise, especially in a competitive auction. If you have extra trumps (one more than you need for an 8-card fit), feel free to compete to the 3-level if the opponents bid over your 2-level partscore.

Stay low on misfits. When you have a minimum without support for partner and he doesn't show support for your suit, stop bidding as soon as possible. Unless you have game-going strength, don't bid higher just to show yet another suit and don't bid 2NT. Your goal is to stop in a reasonable contract, not a perfect one.

### Responder's requirement for making a WJS

As responder, **On Your First Bid**, you use a Weak Jump Shift to tell partner you hold a 6+ card suit and 5 or less points.

E.g., Partner opens 1♥ and you hold: ♠QJ108764 ♥2 ♦654 ♣76

Your bid would be 2♠ telling partner you hold a 6+ card ♠ suit and hold less than 6 points. If you held 6 points you would bid 1♠ and repeat the bid on your re-bid.

Partner opened 1♣ or 1♦ and you hold: ♠32 ♥QJ10765 ♦J87 ♣43. Your bid is 2♥, telling partner you hold 6+ ♥ and less than 6 points.

Partner opened 1♠ and you hold: ♠2 ♥QJ107654 ♦65 ♣432

In order to show your weak hand, you need to go the 3-level. You now need not only weakness but a 7-card suit to bid the WJS, (weak jump shift). You may also hold 6-7 points.

Eg.,

Partner 1♣ and you hold ♦AQJ97432. Holding only 6♦ you would bid 2♦ but now you hold a 7-card suit bid 3♦.

Partner opened 1♥  
and you hold:

♠ K97543  
♥ 2  
♦ 976  
♣ 765

Your response is: 2♠.  
You have no fit for partner and your WJS has made it very difficult for the opponents to bid.

Partner opened 1♥  
and you hold:

♠ K2  
♥ 5  
♦ KQJ109654  
♣ 754

Your response is: 3♦.  
You hold a 7-card and 6 points. You need a 7-card suit and a couple more points to jump to the 3-level.

Partner opened 1♥  
and you hold:

♠ KJ6543  
♥ 8765  
♦ 4  
♣ 87

Your response is: 2♥.  
You hold too many hearts to make a WJS in spades.

Partner opened 1♥  
and you hold:

♠ AKJ765  
♥ 87  
♦ 2  
♣ J952

Your response is: 1♠  
as your hand is slightly stronger. Your rebid will be 2♠, showing a 6-card suit and a minimum response.

## Opening Bidders Rebid

1. Most of the time the opening bidder will pass after a WJS as responder is showing a very weak hand.
2. With a strong hand and a good minor suit, you may try for game in no trump.
3. With a strong hand and support for partner's suit, you may raise partner's bid.
4. With a strong suit of your own and a singleton or void in partner's suit, you might rebid your own suit.

You opened 1♥ &  
partner bid 2♠ WJS.

You hold:

♠ A54  
♥ AK872  
♦ AJ5  
♣ Q6

Your response is: 3♠.  
If partner is near the  
top of her point  
count, she will go to  
game knowing you  
have support and a  
great hand.

You opened 1♦ &  
partner bid 2♥ WJS.

You hold:

♠ AJ102  
♥ 2  
♦ AKJ1075  
♣ AK

Your response is:  
3NT. You hold 20  
HCP's and know the  
♥ suit is covered, so  
bid your game.

You opened 1♦ &  
partner bid 2♥ WJS.

You hold:

♠ A76  
♥ 6  
♦ AKJ10765  
♣ A5

Your response is: 3♦.  
You hold a singleton  
in partner's WJS suit  
but hold a great suit  
of your own so bid it.

You opened 1♦ &  
partner bid 2♥ WJS.

You now bid 3♣

You hold:

♠ 2  
♥ -----  
♦ AKJ1054  
♣ KQJ1087

## What if opener bids a new suit after responders WJS?

A new suit by opener shows a powerhouse 2-suited hand  
and is forcing to the responder.

Responder must make a choice of one of partner's two  
suits. No if's or buts – make a choice.

### **Ace of Club Winners**

### **A Matter of Priority**

A man has a severe heart attack and is rushed to the hospital emergency room. The admitting nurse says, "I'm sorry, you'll have to wait in line."

"But I might be dying!" says the man.

"Sorry, a doctor will see you when one is available."

Then an ambulance races up with its siren blaring, and a woman is carried in on a stretcher. A paramedic explains, "She was in a terrible accident and has just stopped breathing."

"I'm sorry," says the nurse, "she'll have to wait in line."

Next a guy walks in without assistance, whispers something to the nurse and is taken immediately to the examination room, surrounded by doctors.

"What's this?" says the first man. "How come he goes right in?"

"Oh," explains the nurse, "he's a bridge player and his partner just passed him in a cue-bid."

## **Mini-McKenney Awards**

This award is for the accumulation of all points won during a calendar year and includes club points as well as tournament points. The Mini-McKenney competition is divided into several categories: from Rookie (0/5 MPs) through to over 10,000 MPs in District 19. Showing are the Let's Play Bridge Club members.

2-James Hooey  
3-Dave Taylor  
5-Alan Broome

### **When you're a defender:**

Lead attacking combinations -- suits with touching honors such as QJ10x, KQx, AKxx, J109x. Lead the top of an honor sequence.

Don't lead unsupported aces (Ax, Axx, Axxx) unless it's the suit partner has bid.

When in doubt about what to lead, lead the fourth-best card in your longest suit. Leading from length is the "standard" lead to a notrump contract, and it's often the safest lead to a suit contract.

### **200/300 points**

2-Bill Holland  
4-Jerzy Jankowski  
7-Wendy Webb  
9-Allison Sawyer

Count cards and points as you play. Use clues from the bidding, the opening lead and the play to try to come up with a mental picture of partner's or declarer's hand.

Think ahead, and be ready for critical plays. Indecision will often tell declarer what you hold in a suit, so try to decide in advance which card you'll play when declarer leads a suit toward or from dummy.

Use defensive signals to help partner during the play.
