⚠ **IMPORTANT NOTICE – Pricing Disclaimer**

The prices listed are "FROM" rates, meaning they reflect the lowest available price for that cabin type at the time of quoting.

◇ **Prices are subject to change** at any time until a deposit is paid. Cruise fares can fluctuate based on availability, demand, and promotions set by the cruise line.

◇ **Cabin availability is not guaranteed** until secured with a deposit. Booking early ensures better pricing and more options.

For the most up-to-date pricing and availability, please reach out before making your final decision.

Let me know if you'd like to proceed, and I'll help lock in your cabin at the best available rate! 🚢 ✨

🛡 **Why Travel Insurance Matters**

I highly recommend travel insurance, even for domestic cruises on the Celebrity Edge. Standard health insurance (including Medicare & private cover) won't cover medical costs or emergency evacuations onboard. Insurance also protects your belongings, prepaid tours, and more.

I can provide a tailored insurance quote to ensure you're fully covered. Let's chat about the best option for you!
