

VENUE

Abingdon School is situated in the centre of Abingdon.

The Pavilion is a recently constructed “state of the art” building set within the school’s attractive grounds. It’s ideal for playing bridge, with good lighting and ventilation, and an excellent sound system. It’s also fully suitable for wheelchair users, with level access throughout, and modern accessible toilets within the building.

Car parking is available on site, within about 100m. Players with limited mobility should contact obacongress@gmail.com to request a reserved parking space next to the playing area, and stationary seating.
