We are running four free taster Sessions for our Beginners' courses. No knowledge of Bridge or of card games is required to attend the session. Book your place now and come along if you wish to try out the game of Bridge and to learn more about the year-long Beginners' courses that we will be running from October 2018.

Our Beginners' course is based on the English Bridge Union's 'Bridge for All' programme, the nationally approved, tried and tested method of learning the game. The course provides a sound knowledge of Bridge enabling students to progress from learner, through intermediate to expert. The bidding system used is Standard English Acol. All our teachers are fully trained and experienced.

At the start of the first term we ask you to buy your own copy of the course book produced by the EBU (£22), giving you an invaluable reference guide to bidding and play as well as extra practice exercises that you can do outside of the classes. All other teaching materials and student notes will be included in the course fee of £80 per term (ten lessons). The full course lasts for 30 weeks.

Oxford Bridge Club is a charity. Any surplus from the education programme is ploughed back into the club's teaching programme.
