Friday Evening Pairs (2020/21)

This is the final result of the Friday evening online pairs ladder for 2020/21. It uses your average percentage score. You must have played in at least 6 events to be included. Only your best 10 scores count. Unfortunately there were too few events for the trophy to be offered this year - both because Friday evening online bridge did not begin until October and also some of the sessions were scored in IMPs due to the limited number of tables.
