### John Deech Trophy (2022/23)

This is the final result of the ladder for the John Deech Challenge Trophy which ran from September 2022 to May 2023 (8 events in all). To feature you must have played in at least 60% of the events. This ladder used 'positional' scoring. The lowest pair in a session score 2 and each position above scores 2 more. So you score more, say, for coming first in a big field than a small one. Once you have played in more than 5 events only your best 5 are included. You must be a club member to be eligible to win the trophy and/or cash prizes.
