If you're here you can't log on to My EBU. There could be a few reasons for this.

You have a password but it doesn't work

1. Check that you're using the correct case. Passwords are case-sensitive so any capital letters need to be typed in as such. Check that you don't have CAPS LOCK switched on, as this will reverse all your key strokes.
2. If you try an incorrect password too many times, it will stop you from logging in for a few minutes. Go and make a cup of tea and try again later.
3. If it still doesn't work, you can reset it to something new. See instructions below.

You don't have a password

You can request a new password, but only if we have your correct email address on our database. You may have provided us with this when you joined, or set it via My EBU if you have been able to log in in the past. If we have your email, enter your EBU number in the box below and click *Submit*. **IMPORTANT NOTE:** This page sometimes won't load correctly. Until we fix this please refresh the page until you see a large "Submit" button. Click [here](#) to see what this should look like.

If we don't have your email address on record, you'll have to contact us and let us know what it is. We'll then add it to your account and you'll then be able to reset your password using the form above. Please call 01296 317200, or email postmaster@ebu.co.uk. We will need to confirm your identity, so please include your EBU number and home address in any

Something like the following will then appear on your screen:

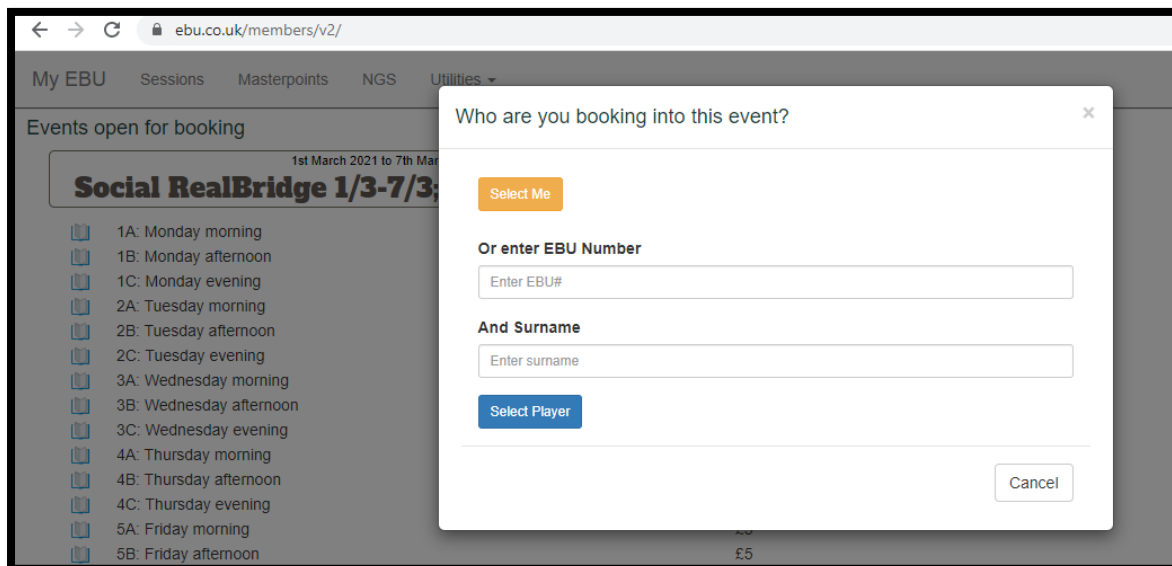

Click on the week you want to play. I think it gives you opportunity to book two weeks in advance. Here is the screen after I clicked on the first available week:

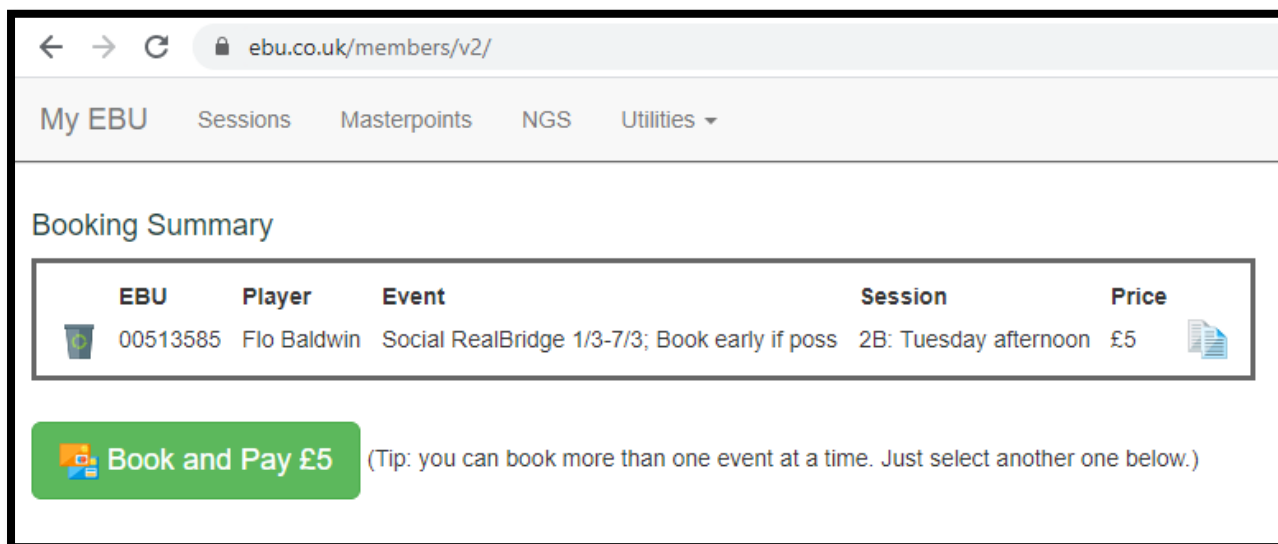

Click on the day and time you wish to play. Let's say Tuesday in the afternoon (just an example):

You need to fill in your name and EBU number:

....this will take you to the payment page:

Click on “Book and Pay £5” and from there follow the instructions. You can pay using your credit card or using PayPal. **One person needs to book and pay for the entire table. Whoever in your party feels most comfortable, and knows their EBU password, can book and pay for all the table.**

Whoever pays will receive an email with a link to your game and must forward the link to all the other players. On the day each player must click on the link. This takes them to the RB login page. Players must then login with their name and fill in the ID field with their EBU number. This will take them to the EBU social lounge. Locate your table. It will have the surname of the person who booked the game.

Enjoy your game.

For £5, you can play 20 boards. The afternoon slot is from 2 pm to 6pm. Within this time you can schedule your game. You can start at 3 pm or 4 pm, (or any time within the time slot) it is up to you. It is all acceptable, as long as you finish your 20 boards by 6 pm. If you prefer, you can play in the morning (9 am to 1 pm) or in the evening (7pm to 11 pm).
