Before the session follow this link <https://realbridge.online/>

and check under FAQ that your device is suitable and that your camera and microphone are working.

10 minutes before the session starts click on the link in the email you were sent (if this doesn't work copy and paste it into your browser) this will take you to the login screen.

The login screen features a green and black logo with a club symbol and a camera icon. It includes input fields for Name (Sarah Amos), ID number (123456), and Password (qyWsaXvnMHfR). There is a checkbox for 'High contrast UI' and a 'Login' button. Below these are dropdown menus for 'Camera' and 'Microphone', both set to 'Use default'. A 'Mic volume' slider is at the bottom left, and a small video feed of Sarah Amos is on the right. The version number '0.7.2' is in the bottom left corner.

Type your Full name in the box (as you want it to be shown in the results) and put your EBU Number in the ID number box. Click login.

When you have entered the site, you will see your name in the lobby (bottom right) and tables. Click on a place to sit opposite your partner.

The lobby interface has a yellow header with 'Sarah Amos' on the left, 'Thursday Supported Play' in the center, and 'USEBIO', 'Advanced', and 'Scores' on the right. The main area shows five tables, each with a central green square and four 'Sit' buttons (N, S, E, W). The right sidebar contains 'Matchpoint pairs (Mitchell)', '5 tables' with '+' and '-' buttons, '4 boards (2 x 2 board rounds)', 'No timer', 'Session settings', and a 'Start round 1' button. At the bottom, there is a chat input field with 'Send chat' and 'ANNOUNCE' buttons, and a 'Lobby' section showing 'Sarah Amos'.

When you are at the table you will see the playing area in the centre of your screen and the other people will appear around it. When play starts your hand will appear.

While you are waiting have a look in settings by clicking on the wheel lower right and see what you can change once you get your cards.
