### 1. Requirements of the Schedule

This Schedule is referred to under clause 6 of the Constitution and prescribes the powers and procedures for enforcement. It will comply with and follow the EBU disciplinary procedures and any variations thereof that are made from time to time. The Association shall act through its Conduct and Disciplinary Committees for the enforcement of standards prescribed in clause 6 of the Constitution. The Association shall have additional powers as set out in the clauses below.

### 2. Receipt of allegation

Any person making a complaint against one or more members of the Association (hereinafter "the Defendant"), under the terms of clause 6 of the Constitution must do so in writing to the Association Chair or Secretary. The Association will deal with any disciplinary allegations referred to it from its affiliated clubs using the Disciplinary Procedures set out in this Constitution. This may involve investigation, a hearing and an appeal. However, if a proper hearing has already been held then the County Association should only convene an appeal hearing.

### 3. Conduct Committee

3.1 The Management Committee of the Association shall appoint a Conduct Committee through its powers to appoint sub committees under clause 3.6 of the Constitution. The Conduct Committee shall be responsible for investigating complaints against the Association's members and to determine whether a Disciplinary Offence should be referred to the Association's Disciplinary Committee.

3.2 The Conduct Committee shall consist of no fewer than three members of the Association and no more than seven. A quorum for any meeting shall be three of its members. It shall act by simple majority vote and its appointed chair, or whomsoever in their absence the Conduct Committee shall select to chair a meeting, shall have a second, or casting vote in the event that there is parity of voting.

### 4. Disciplinary Committee

4.1 Where required to consider a case referred by the Conduct Committee, the Management Committee of the Association shall appoint a Disciplinary Committee through its powers to appoint sub committees under clause 3.6 of the Constitution. In order not to impede the progress of individual cases, the authority to make appointments to a Disciplinary Committee will be exercised by the Officers of the Association on behalf of the Management Committee, taking care to ensure the independence of the appointees. The Disciplinary Committee shall determine sanctions for offences admitted by the defendant, hear charges of offences and determine whether those charges are proved and, if proved, determine the sanction to be imposed.

4.2 The Disciplinary Committee shall consist of no fewer than three members of the Association and no more than seven. At least three of its members must be present when it makes a decision to uphold a complaint and impose sanctions on the offending member. It shall act by simple majority vote and there shall be no abstentions.

A member of the Association cannot be a member of both the Conduct and Disciplinary Committees.

## 6. The Complaints Process

### 6.1 Notice of Meetings

Where a written complaint is made, or a matter otherwise comes to the attention of the Conduct Committee, the Conduct Committee shall first consider whether such complaint or matter falls within the scope of the Disciplinary Rules and whether further action is warranted. Normally no action will be taken in respect of a complaint relating to an alleged offence which occurred three months or more prior to a formal complaint in writing made to the appropriate Officer. If it does take action the Conduct Committee secretary shall first write to the Defendant, seeking the Defendant's comments on the substance of the complaint or matter that has been raised. The Conduct Committee shall also be entitled to make such further investigations and enquiries as it in its absolute discretion considers appropriate. The Conduct Committee shall also be entitled to seek advice both from within the Association and from the EBU Conduct Committee, and to obtain external legal advice.

### 6.2 Complaint not justified

If the Conduct Committee decides that the complaint is not justified, all parties shall be notified and the matter ended.

### 6.3 Complaint justified

If the Conduct Committee decides that the complaint is justified, it may, in its absolute discretion, offer a verbal caution to the Defendant which will end the matter.

If the Defendant does not accept the verbal caution, or the Conduct Committee decides a verbal caution is inappropriate, the complaint shall be referred for a hearing by the Disciplinary Committee.

The Defendant shall:

(a) be notified, in writing, within two weeks of this decision and of their right to make a written submission to the Disciplinary Committee and to attend the hearing.

(b) have the right to be represented by legal counsel of their choice and at their own expense or may be accompanied by a person to speak on their behalf.

The Disciplinary Committee shall give at least two weeks, or such other period as maybe agreed, notice of the hearing to the Defendant.

### 6.4 Disciplinary Committee's Sanctions

If after the hearing the complaint is upheld, the Disciplinary Committee may in its absolute discretion impose one, or more, of the following Sanctions:

(a) Give a written reprimand to the Defendant.

(b) Suspend the Defendant from all or some of the competitions sponsored or licensed by the Association for such period or under such terms as it shall determine.

(c) Require the Defendant to repay the cost of repairing any physical damage caused by their action.

(d) Determine whether, and in what terms, any publicity should be given to the decision.

If the complaint is against a member of the Management Committee, then in addition to any other sanctions applied, the Disciplinary Committee shall have the power to suspend such member from the Association's Management Committee and any of its sub committees for such a period that it shall determine.

Any sanctions imposed by the Disciplinary Committee must be communicated to the Defendant in writing within twenty one days of the hearing.

No sanction shall come into effect until the time limit for an appeal has expired (see clause 6.5). If an appeal is made the sanction will not come into effect until the appeal has been determined and will be modified or cancelled if that determination so requires.

## 6.5 Appeal

### 6.5.1 From a decision of the Disciplinary Committee

Each member found guilty of a Disciplinary Offence by the Disciplinary Committee has the right to appeal to the EBU Conduct Committee. Appeals must be in writing and lodged with the Secretary of the EBU Conduct Committee within twenty one days of the written communication of the Disciplinary Committee's decision to the offending member.

### 6.5.2 From a decision of an Affiliated Bridge Club

Each member found guilty of a Disciplinary Offence by a club disciplinary committee has the right to appeal to the County Association Conduct and Discipline Committees.
