Sutton Coldfield Bridge Club

Hosting Policy

SCBC provides a hosting scheme at some sessions. These sessions are clearly referenced in the Calendar of Forthcoming Events on the club website.

The scheme is available to all members, but the club reserves the right to remove access to it if the scheme is not used as designed.

The Purpose of the Scheme is to cater for members whose regular partner is temporarily unavailable or for new members actively seeking a regular partner.

The scheme is not intended to provide a partner for someone on an ongoing basis.

Please note that this hosting facility is only made possible by a few members volunteering their time to act as 'Hosts' and on occasion a Host may be unavailable at short notice.

If you wish to take advantage of the 'Host' system, please be aware that you will be expected to adhere to the following rules.

- Arrive at the club 15 minutes before the session starts to allow time for system discussion/agreement with the host.
- Be in possession of a completed system card detailing your normal system of play.
- Be prepared to play according to the SCBC Basic ACOL system – Weak NT 3 x weak twos. An appropriate System Card is available at the club and is downloadable from the website.
- Alternatively, you may play a system as agreed with the host.

Issued 20/09/2025.
