

Weekly 'Introduction to Bridge' Sessions At Sutton Coldfield Bridge Club.

Starting Saturday 20th September and every Saturday morning thereafter.

Bringing the Joy of Bridge to New Learners

Overview

Bridge is an engaging and intellectually stimulating card game that unites people through strategy, logic, and social interaction. To encourage more individuals to discover the joys of playing bridge, we are launching weekly introductory sessions.

These sessions are intended for absolute beginners and those with limited experience who wish to learn the fundamentals of the game. The session will also cater for those who want to refresh or improve their bridge knowledge with assisted practice receiving friendly guidance and support.

Whether you are curious about the game or eager to meet others in a friendly, learning-centred environment, this is the perfect opportunity to start your bridge-playing adventure!

Purpose of the Sessions

The primary goal is to create a welcoming and inclusive environment where participants can:

- Learn the basic rules of bridge prior to attending a more structured Beginners Course.
- Build confidence in their gameplay through practice and guidance.
 - Complete Beginners will be able to play a simplified 'Mini Bridge' game.
 - More advanced beginners and others will have the opportunity to play 'pre-prepared' hands with assistance and feedback.
