

## “PSYCHE BID”

A psyche bid is normally used by high level players to steal a board from their opponents!!

A classic example: 2 passes and third seat player opens 1 spade with very few points and spades!!

He/she knows from his hand and the 2 previous passes that the contract belongs to the opponents.

Probably a 2 club or 2 NT opener in 4<sup>th</sup>. seat!!

There are other examples but this is a sample!!

*DEFINITION:* A deliberate and gross misstatement of honour strength and suit length.

*ALSO:* it is also illegal to psyche any artificial opening bid such as Precision or Flannery.
