In the words of S.Lakshman, Chandru's twin brother.....

"Chandru (S.Ramachandran) was born on 18th April 1945. He did his schooling at Lawrence School, Lovedale (near Ooty) and obtained BE (Mech) degree in 1968 from the famous College of Engineering, Guindy (CEG).

He ranked among the top at school and college. Right from school days, he played many sports (cricket, tennis, hockey, table tennis to name a few) and was proficient in them. He concentrated on cricket and tennis in his college days. While he had started playing bridge within the family in early 60s, it was at CEG that he waded into technical bridge and spawned quite a few bridge players from CEG. He was a keen golfer too.

He was on the competitive bridge circuit from early 70s and he had won many tournaments. His team, Associated Engineers (to start with, consisted only of CEG graduates and named after his company) was for a long time among the leading bridge teams.

He played bridge passionately and became an iconic player. He held the annual KRS tournament at Mylapore Club in memory of our father. He was known for his personal care of the participants and revelled in arranging sumptuous and delicious food for them.

He leaves behind his wife Lakshmi, sons Vijay, Ajay and 3 grandchildren. They were keen to sponsor a bridge tournament in his memory and what better venue than his beloved Alumni Club"
