Parking

If you live close enough, we encourage you to walk to Sugar Orchard Field as parking will be limited but if you need to drive, you can park in the field behind the football clubhouse or in the village hall car park. There will be some spaces next to the clubhouse for those with limited mobility.

Dogs

Dogs **are** permitted in Sugar Orchard Field for this event as a one off. Please ensure your dog is kept on a lead at all times, and any mess is disposed of.

Children

Sugar Orchard Field is next to a very busy road, so any children must be supervised at all times. The entrances will not be manned.

Do we need to pay?

There is no entrance fee, but donation buckets will be available if you can spare any change. Donations will go to the Village Hall charity fund, which not only pays for the upkeep and improvement of the hall, but also the maintenance of the village defibrillators, along with funding events such as village day and bonfire night.

Do I need to bring cash?

Yes, most of the food and drink stalls will take cards, but not all, so please bring some cash.

Can I get involved?

We have a few volunteer opportunities available if you would like to meet people in the community. If you would like to join the team behind this, we'll do our best to get you involved either before, during or after the event. Please msg/call Darren on 07739 562628

Thank you!

We would like to say a thank you to **John Edgar** and the **Old Sodbury Football Club** for allowing us to use their field and facilities, **Andy Roach** for use of his field and **Philip Russell** for the stage, along with **Sodbury Town Council** and **Redcliffe Homes** for their donations to this years event.
