Overview

The Vanderbilt Bridge Club of Nashville has contracted with BridgeWebs to host our internet website effective January 1, 2013. This site is specifically for bridge clubs and it offers some additional features and capabilities beyond what we are able to do on our current site. Some of these additional features include:

- Automatic results calculation from ACBLScore game file
- Improved results viewer
- Simplified website maintenance
- Competitions – can be created on a custom basis to promote interest
- Personal Analysis – players can view their historical results by partner, best percent, masterpoints, etc.
- Members Only Section – the website has the ability to limit information to members only. We are not currently utilizing this capability – no credentials are required to review results, etc.

Results

The most common reason to visit the website is for players to view their results. They will use their favorite internet browser and will go to <http://www.bridgewebs.com/vanderbilt/>. This will bring up the homepage.

The main content area is divided into several sections: a large photo of the Vanderbilt Bridge Center building with a caption describing it as a member-owned duplicate bridge club; a "Latest Result" section with "New Player Information" and "Regional Tournament" details; a "Results" section listing sessions for Jan 30, 2013 (Wednesday Morning Session), Jan 29, 2013 (Tuesday Morning Pairs), and Jan 29, 2013 (Tuesday Eve 149er Pairs); and a "Calendar" section for Feb 4, 2013 (Nashville Music City Regional). A "Bulletin" section mentions the Winter 2013 Bridge Lesson schedule. At the bottom, there is a "Club Directory" and "Recent Updates" section listing recent website changes.

Now we shall explore the other buttons found at the top of the scorecards page. In this case they are Matrix, Travelers, Hands, Section A, and Section B. Had there been additional information for this event, such as hand analysis from a charity game, an information button would be visible and you would click it to view the additional information.

Web Administration

This web site is using the "BridgeWebs" service.

For your convenience, some frequently used "Administration" options may, optionally, appear in the menu on the left hand side under "Web Administration". However, for most aspects of "Web Administration" you will need to click on the button below.

This will open up in a "pop-up" window (please ensure that you have popup's enabled for this site) where you can login and administer the "Vanderbilt Bridge Club of Nashville" web site. You will then have two windows open, this one for your web site and another for Administration. You can switch between the two quickly to see the effects of your changes. The "pop-up" window is compact so that it is easier and quicker to do several changes.
