

RESERVATION DOS AND DON'TS

1. Whenever possible, please use the reservation system. At any time, if you are unsure or have questions, please contact the reservations manager at reservations.thevillagesdbc@gmail.com. If you are unsure about how to contact a specific director, utilizing this email or the phone #, 765.465.3034 is an alternative.
2. The reservation system is accessed using the “click here” buttons on the schedule. Access your reservations by entering your ACBL or #Club Number and clicking submit.
3. The reservation system is DATE driven. Be sure you select the date you intend to play.
4. Follow the screens picking open/limited, entering your partner’s first name, desired direction, etc.
5. If you are playing with a guest, you cannot use the reservation system. As a courtesy to the director, please contact the director before the game so they can table you with your guest.
6. If you make a reservation and then cannot play, if outside a 3-hour window, utilize the cancellation menu within the reservation system to cancel. If inside a 3-hour window of gametime, please contact the director.
7. If you decide at the last minute to play in a game, contacting the director is appreciated. However, no one will be turned away from playing in a game if arrival is outside the 15-minute window and there is space available. ***Please do not arrive inside the 15-minute gametime window with or without a reservation.***
